Victorian Women Lawyers and the Women Barristers Association are delighted to invite you and a friend\*\* to sing each other's praises to other women lawyers at a solicitor/barrister speed networking evening hosted by Fiona McLeod SC.

VICTORIAN  
WOMEN  
LAWYERS

**WBA**  
WOMEN BARRISTERS ASSOCIATION

\*Once, long long ago (but recently enough) there was a brave and enterprising group of women barristers who decided to form the WBA. One day, when the women advertised their first event, a sad old ogre scribbled "Ladies, bring a plate" over their flyers. This event, aside from being a bloody good time, will be a three fingered salute to the ogre, and all of his friends.  
\*\* Friends are not essential (for this event - they probably are in life). If you choose to register solo, we will happily pair you up with a networking buddy. Double networking value. Winner!
