Victorian Women Lawyers presents

BALLARAT NETWORKING DRINKS

Artwork by Eleanor Ratcliffe

Victorian Women Lawyers is proud to host its first regional networking event for the year in Ballarat.

VWL encourages all women lawyers and law students to attend. The evening is intended to provide an opportunity for women lawyers to network and share experiences. It will enable women law students to make connections in the legal profession and discuss the challenges and rewards of pursuing a legal career.

There will be an opportunity to hear from VWL about its plans to offer more benefits for regional lawyers and law student members.

VWL is also looking forward to hearing from regional practitioners and law students about how to help them succeed in their career.

Refreshments and finger food will be provided.

There is no cost for women lawyers or law students to attend this event however places are limited.
