

EMPOWERING WOMEN - BE PART OF THEIR JOURNEY CREATING A POSITIVE FUTURE

"If we don't empower women, we don't allow them to unlock the potential of themselves and their children" - Melinda Gates

Join us on [Wednesday 2 May](#) at TFN Live in Melbourne to celebrate and support three grassroots social change projects creating life-changing outcomes for women and girls.

The Funding Network live crowdfunding events are an immersion of possibility and inspiration that positively and radically disrupt traditional ways of contributing to the community.

We're inviting you to hear from the leaders behind [SisterWorks](#), [Birth for Humankind](#) and [Women and Mentoring](#) and be part of their journey creating a positive future. They will each share their stories and the innovative ways they're supporting women, their children, and their communities in and around Melbourne.

So come along, bring a friend and [join us](#) for an inspiring night to remember.
