Victorian Women Lawyers (**VWL**) invites you to apply to participate as a mentee in the inaugural Professional Mentoring Program.

Building on the success of the Law Student Mentoring Program, VWL is proud to launch this new mentoring program designed for our members who are already admitted to the profession.

The VWL Professional Mentoring Program will provide a wonderful opportunity for female lawyers to develop their personal and professional skills, by engaging with a more senior and established practitioner.

Mentors have been selected by current VWL committee members. The mentors have a diverse range of experience and practice, and a passion for developing and mentoring other lawyers.

There are a **limited the number of places** available in the program. Should you be unsuccessful this year, VWL encourages you to apply for next year's intake. Please apply [here](#). Applications will close 29 June 2018.

VWL will pair mentors and mentees and successful applicants based on their professional and personal interests. Participants in the program are expected to provide formal feedback throughout the mentoring program, to enable VWL to continue to improve the program over the coming years.

Following the matching of mentees with mentors, VWL will officially launch the program on 25 July 2018 with a cocktail evening featuring **Norah Breekveldt**, author of *"Me and my mentor. How Mentoring supercharged the careers of 11 extraordinary women."* Mentees are encouraged to attend the launch.
