Victorian Women Lawyers (VWL) is proud to launch to the 2019 Warren Moot with the Advocacy Training Event.

There is no moot quite like the Warren Moot. In 2018 VWL doubled the size of Warren Moot and in 2019 VWL is further committed to improving the quality of the competition by holding an advocacy training session for moot participants and general members of the VWL.

VWL is delighted to announce that the Honourable Chief Justice Warren AC and the Honourable Justice Zammit will give practical tips and tricks for being a successful advocate. Attendees will be able to participate in an interactive workshop on advocacy and research.

VWL encourages all participants in the Warren Moot to attend, together with other interested VWL members.
