

CROSS-INDUSTRY NETWORKING EVENT

with guest speaker Sarah Holloway

VWL is delighted to announce the return of its popular Cross-Industry Networking event, a networking evening for working women in all industries to build connections outside their own professions and share their experiences.

VWL members are invited to bring friends and professional contacts from other industries, and to take the opportunity to network with women outside of the legal profession. Men are also welcome and encouraged to attend.

This year's focus will be on supporting and engaging with the experiences of female entrepreneurs, and we are thrilled to have lawyer-turned-entrepreneur, Sarah Holloway, as our guest speaker. Sarah left her career as a lawyer in 2015 to found the mega-successful Matcha Maiden and Matcha Milkbar. Sarah also has a 5 star rated podcast called 'Seize the Yay'. Sarah will be speaking to guests about her experience of changing her professional course, turning a side hustle into a full time career and the unique challenges faced by women entrepreneurs.

VWL is proud to have LUNA as this year's event sponsor. LUNA is a full service start-up hub providing comprehensive, concept-paving and tailored services to entrepreneurs.

VWL would also like to thank event-supporter One Roof, Australia's leading co-working space for women-led businesses.
