Victorian Women Lawyers' Justice Committee is excited to invite you to join us for an evening of nibbles and wine, as we network with purpose in support of the inspiring charity Share the Dignity.

Share the Dignity is a not for profit organisation providing homeless and at risk women nationally with sanitary products to allow them a sense of dignity at a time when they need it most.

Sanitary items are often the first necessities that women need when experiencing crisis, but one of the last things that the community think to donate.

On the night, we will be seeking donations of unopened pads, tampons and other personal hygiene products which will be distributed to women in need. All proceeds from event registrations will also be donated to Share the Dignity to help them to continue their amazing work.

For those unable to attend on the night and wishing to donate items to Share the Dignity, we will be accepting these until 5:00pm on 11 September 2019 at Aitken Partners, Level 28, 140 William Street, Melbourne
