LAWYERS

## LESBIA HARFORD ORATION with guest speaker Bri Lee

Victorian Women Lawyers is delighted to invite you to its biennial event to celebrate Australian poet, novelist and political activist, **Lesbia Harford**, a pioneer of women in the legal profession.

This year we are fortunate to be joined by Bri Lee, award winning author, freelance writer and speaker based in Sydney.

Her first book, a memoir called *Eggshell Skull*, explores sexism in the legal industry and justice system and tells the story of the many barriers that women – including Bri herself – face when trying to access justice.

Bri is a well-known advocate for criminal justice law reform and she has been recognised by the Australian Financial Review as a young leader in the 2019 Women of Influence Awards.
