INTRODUCED BY MIRIAM HOLMES

VWL invites current and aspiring government lawyers to attend the first of our online networking nights.

We will be hosting a series of virtual-networking events, to bring together women government lawyers to reflect on their experiences and make new connections in an accessible format.

DATE:

Tuesday, 11 May 2021

TIME:

7:00pm - 8:00pm

LOCATION:

Online via Zoom with link to be sent to attendees prior to the discussion

COST:

Free for VWL members and non-members

REGISTER ONLINE AT:

The event will begin with an introductory Q&A with **Miriam Holmes**. Guests will then break out into smaller breakout rooms (of 4-6 people) in Zoom, where hosts from VWL will facilitate considered discussion about working in the public sector. We hope that through sharing reflections on work as a government lawyer and meeting some new peers, participants will walk away with some new connections and insights.

Miriam Holmes is currently an Executive Director and Deputy General Counsel within the Department of Premier and Cabinet's Office of the General Counsel. Previously, Miriam worked as an Assistant Victorian Government Solicitor and as a Senior Member of the Administrative Appeals Tribunal, Social Security Appeals Tribunal and Migration Review Tribunal.
