VWL is celebrating its long and proud history of supporting and advancing women in the law. This year we recognise and celebrate the resilience and re-emergence of women in the legal profession, following on from a challenging year.

Join us for an evening of networking and entertainment and find out how you can be a part of VWL.

This year, we are thrilled to present Jess Jones as our guest speaker.

**Jess Jones** is a serial entrepreneur who has come face-to-face with burnout several times. As Founder of The Burnout Club, she's on a mission to save people from themselves, by helping them navigate their own burnout journey and apply the tools and techniques required to avoid it returning.

Bring your friends along for what promises to be a night of excellent entertainment, delicious canapes and drinks.

This event is proudly sponsored by Gatehouse Legal Recruitment.

Guests will also receive an electronic copy of **The Burnout Kit** by Jess Jones.
