

Victorian Women Lawyers & Women Barristers' Association are proud to present the **2022 DAME ROMA MITCHELL MEMORIAL LUNCH**

We invite our members and the wider legal community to a two course lunch and in-depth discussion with a focus on leadership and equality hosted by **Elizabeth Broderick AO** and **Michelle Cheng**

As Australia's longest serving Sex Discrimination Commissioner, Elizabeth Broderick AO worked to break down structural and social barriers faced by women and men, and to promote gender equality.

Elizabeth is currently UN Special Rapporteur and Independent Expert on the Working Group on Discrimination against Women and Girls.

A globally acknowledged leader, social innovator and advocate, Elizabeth founded and convenes the 'Champions of Change' strategy activating influential men to take action on gender equality.

Elizabeth is a Board member of the International Service for Human Rights and a member of the Global Institute for Women's Leadership Advisory Council, Kings College London. In 2016, she was appointed an Officer of the Order of Australia and was named 2016 NSW Australian of the Year.

Michelle Cheng is the SBS Content Industry Diversity Manager in the Television and Online Content division. Michelle works with the commissioning team, to deliver diversity and gender parity targets on SBS TV shows and build career pathways for screen practitioners under-represented in the sector.

Michelle is Co-chair of the Screen Diversity Inclusion Network, which brings together Australian broadcasters, screen agencies, business associations and industry-aligned education and training organisations to build a more inclusive and diverse screen industry.

Prior to her role at SBS, Michelle worked as a journalist, TV writer and presenter, media advisor and solicitor.
