Empowering Women: From Murder & Misogyny to High Court Victory

You're invited to join us for the launch of **Empowering Women: From Murder and Misogyny to High Court Victory**. An event co-hosted by Victorian Women Lawyers and Maurice Blackburn Lawyers.

An inspiring story of activism in action and how the death of one man, security guard Steve Rogers, helped change the future of women's rights in Australia, ultimately leading to the decriminalisation of abortion and introduction to safe access zones throughout Australia.

Details

A panel discussion and audience Q&A hosted by **Jen Kanis** with authors **Dr Susie Allanson** and **Lizzie O'Shea** along with **Fiona Patten MP** who championed the introduction of safe access zones.

Book sales and signing opportunity, plus refreshments will be provided following presentations. Please advise dietaries when confirming your attendance.
