The Professional Mentoring Program is proudly sponsored by **The College of Law.**

You are invited to join us as we formally launch VWL's Professional Mentoring Program for 2022.

The launch event will include a discussion with the Program's patron, the Honourable Associate Justice Ierodionou, and a number of former participants in the Program (mentees and mentors), followed by time for questions and networking.

The Honourable Associate Justice Ierodionou is an Associate Judge of the Supreme Court of Victoria. Before her appointment to the Court in May 2015, Her Honour worked for almost 20 years as a solicitor.

Associate Justice Ierodionou was a founder and Managing Partner of an employment and discrimination law firm. She also volunteered at a community legal centre for a decade, providing advice to refugees and immigrants.

Associate Justice Ierodionou has been a member of the Law Institute of Victoria Council and was a Convenor of its Diversity Taskforce.
